

Restoration Work Days at Churchill Park

Help restore Churchill Park, GEPD's one, true "natural" park. Churchill has great features and lots of potential, but non-native aggressive plants have taken hold of this gem.

Help us cut and stack brush, collect and spread native seeds, plantings and trail work. This is a great activity for scouts and families. We supply tools, gloves and safety glasses. If you have work gloves, a bow saw or loppers, please bring them.

Please dress in long pants and wear closed-toe shoes. We meet in the parking lot on St. Charles Road, just east of Bloomingdale Road. Instructor: Renae Frigo. [SS]

Age: All

Day: Saturday

Time: 9 am-11 am

Location: Churchill Park

R/NR Fee: FREE

Date: 9/26

Registration Code: WORK1

Date: 10/24
